**Submission to APRA re Draft Superannuation Reporting Standards SRS 700.0  
Product Dashboard, 702.0 Investment Performance and 703.0 Fees Disclosed**

ASFA considers it critical to ensure that data is reported on a consistent basis across funds, to ensure comparability when appropriate. As such, every effort should be made to minimise the risk of unintended outcomes.

Our submission raises a number of specific recommendations in relation to data items sought to be collected via the proposed reporting forms, with a view to ensuring consistency of outcome.
